Welcome to Summer Camp 2025 at White Lake

You are in for a great week, and we are excited that each of you have taken time out of your busy lives to come to camp this year. We have a lot in store for you this week and hope that each one of you are prepared to have a fun filled week. Each day you will be challenged in different ways to study and draw closer to God.

Our theme for this year will be Identity. We will discover our identity in Christ. Our society places a high value on individuality, yet in our pursuit of uniqueness, we often find ourselves conforming to similar patterns. It is essential to remember that our worth is not defined by numbers, attire, relationships, or achievements. In Christ, we possess a far greater identity.

You will engage with other campers to accomplish these goals. You will be involved in activities that will make you evaluate your life and your identity in Christ. You will take part in worship services where we will sing and hear the Word of God preached. Remember this is your week. Make the best of it. There will also be games, activities, and a visit to the water park.

There is a reason we decided on White Lake. If you walk outside, you will see the creation of God all around, you. We hope this week will challenge you to get your life back on track with God and start living for Him. Take this week seriously, as this week could be the week that ultimately changes the rest of your life.
